

# REDEFINE YOUR BODY CONTOUR

**Works best for those with high B.M.I.**

**TummyTuck** employs Lynk Biotech's proprietary technology to effectively deliver a high concentration of active ingredients to firm and shape the targeted areas.

**TummyTuck** contains a powerful cocktail of active ingredients such as Carnitine, Coenzyme A, Glucosamine, Caffeine and Bupleurum Falcatum Root Extract that have proven scientific properties that aid in the redefinition of body contour at bulgy areas such as tummy, flabby arms, thighs and buttocks. It also contains Aloe Vera Gel to moisturise the skin for a smoother texture.

**TummyTuck** - The scientific way to a trim and shapely body.
